Exhibit C

AFFIDAVIT OF KATHY K. TANNER

STATE OF FLORIDA

COUNTY OF DESOTO

1. My name is Kathy K. Tanner. I am over the age of 18. I have personal knowledge of the facts set forth herein.
2. I have been employed in the cattle auction marketing business all of my life. Starting in 1970, I was employed and worked with my family who operated the Arcadia State Livestock Market in DeSoto County. Upon their retirement in 1993 I remained an employee of the owners of Arcadia State Livestock Market, Inc. 1994-2000, Arcadia Livestock Market, Inc. 2001-September 2005, and I am currently employed by Hilliard-McKetrick Investments, Inc. d/b/a Arcadia Stockyard which started operation September 14th of 2005. I have 40 plus years' experience in the cattle auction business. I am currently the Office Manager of Arcadia Stockyard and responsible for the record keeping and daily operations of the office including sale days.
3. I have known I.E. "Jim Byrd" as the operator/owner of Oak Lake Cattle Company. He has been a cattle buyer/dealer at the Arcadia Stockyard since it started operation in 2005. Eastern Livestock Company, LLC ("Eastern") was acting as a clearing agency for I. E. "Jim" Byrd. I. E. "Jim" Byrd bought the cattle from Arcadia Stockyard, and Arcadia Stockyard in turn submitted the invoices for the purchase of the cattle directly to I. E. "Jim" Byrd via fax of the recap or purchase summaries. I. E. "Jim" Byrd handled all aspects of the transaction from purchase to delivery of the cattle. The only involvement Eastern Livestock Company, LLC had, was to render payment by check as the clearing agency for I. E. "Jim" Byrd. Eastern did not take delivery of the cattle.

4. Cattle purchased by I. E. "Jim" Byrd were invoiced to Eastern with I. E. "Jim" Byrd as the agent per the instructions and regulations of the Grain Inspection, Packer and Stockyards Administration ("GIPSA") in regards to bond coverage for this account. All livestock dealers are required by GIPSA regulations to carry a bond when engaged in the operation of purchasing cattle. As such, Arcadia Stockyard and the other markets are regulated per the GIPSA to list as the "buyer" on market invoices the company which will be "making payment" for the invoices. This makes known the responsible party for payment of the cattle as the dealer or clearing agency which in turn carries the principle bond coverage for the account. This is a misnomer because Eastern was not the actual buyer but simply carried the "bond" and cleared the transactions per instruction from I. E. "Jim" Byrd. The "agent" on the market invoices is the person or company present on sale day that actually bid and purchased the cattle. This was I. E. "Jim" Byrd, acting for himself or for his clients, like Len Miller and Rush Creek Ranch, LLLP.
5. Eastern carried the bond required by GIPSA and acted as I. E. "Jim" Byrd's clearing agency only. A "clearing agency" is registered with GIPSA and for a fee agrees to pay the purchase price when due and safe keeps the funds received for the purpose of paying for purchased livestock. A clearing agency also completes reports each year as to their yearly transactions to calculate the required bond amount and to identify the parties whose transactions are cleared or the "clearrees." Acting as a clearing house, Eastern was willing for a fee or commission to handle the prompt payment of the invoices presented by I. E. "Jim" Byrd. A "clearing agency" can be obtained to handle the bond coverage and payment streams, but the "clearing house," acting strictly in the capacity of a "clearing agency," does not ever receive, handle or physically take possession of the cattle for processing. This would only

occur when the "clearing house" was acting in a different capacity such as dealer buying and selling for its own account or accounts of other.

6. As noted in the Custodial Account Instructions from USDA GIPSA Administration #3 states that the Arcadia Stockyards Custodial Account is a trust account and the bank must be informed that the depositor (market agency) is acting as a fiduciary and that the funds in the account are trust funds. This account is maintained strictly for the payment of the many producers who have sold cattle with the market agency and as such are titled as a "custodial account for shippers' proceeds". The market agency and GIPSA both notify the bank about these trust funds.
7. As Office Manager, I, Kathy K. Tanner, never dealt with Eastern Livestock Company, LLC concerning the purchase of cattle by I. E. "Jim" Byrd. Arcadia Stockyard's only connection with Eastern was receipt of Eastern's check in payment for cattle invoiced by I. E. "Jim" Byrd and per his instructions. These cattle were shipped from the Arcadia Stockyard by I. E. "Jim" Byrd per his instructions and any issues concerning the purchase of these cattle were handled solely by I. E. "Jim" Byrd.

AFFIDAVIT OF CARLTON D. MCKETTRICK

STATE OF FLORIDA

COUNTY OF DeSoto

BEFORE ME, the undersigned authority, personally appeared, Carlton D. "Carl" McKettrick, to me well known to be the same, who, being by me first duly sworn, deposes and says:

1. My name is Carlton D. "Carl" McKettrick. I am over the age of 18. I have personal knowledge of the facts set forth herein.
2. I have been in the cattle business all of my life. Since 2005 I have been an owner and operator of Hilliard-McKettrick Investments, Inc., d/b/a Arcadia Stockyard, a Florida corporation with the principal office located at 2719 NE Earnest St., Arcadia, FL. 34266. I am the President of this corporation. My wife (Libby T. McKettrick) and I are 50% owner's along with Joe M. Hilliard II and his wife (Chelsa R. Hilliard) which own 50%.
3. Prior to owning and operating the Arcadia Stockyard I was an order buyer for an order buying company in Florida starting in 1981. I have over 30 years of experience with buying and selling cattle both as an order buyer and as the manager of Arcadia Stockyard.
4. Arcadia Stockyard is a market agency under the Packers and Stockyards Act of 1921, as amended and supplemented (7 U.S.C. §§ 181-229) as well as the regulations issued thereunder (9 CFR Part 201). Arcadia Stockyard is a livestock auction stockyard acting as an agent for the producers of cattle. As such we are responsible for selling a producer's cattle during our auction, paying the producer for the cattle that day, and collecting payment for those cattle from the buyers in a timely manner as regulated by the Grain Inspection, Packer and Stockyards Administration ("GIPSA").

5. As the owner of the Arcadia Stockyard, I have a relationship with the order buyers that attend our sales each week. These order buyers represent order buying companies which in turn represent buyers from around the country who have placed orders for various types of cattle with them. As noted above, from 1981 to 2005 I was also an order buyer here in Florida. These order buying companies can: (i) buy cattle for their company or on their own account; (ii) buy cattle for other companies on a commission or fee basis; or (iii) act as a clearing agency for an order buying company. Order buyers register for each activity with GIPSA.
6. During the entire time we were doing business with Eastern Livestock Company, LLC ("Eastern"), it was acting as a clearing agency for I. E. "Jim" Byrd, his company Oak Lake Cattle Company, and his son Daniel M. Byrd. As the clearing agency, Eastern was responsible for the prompt and timely payment for cattle bought by I. E. "Jim" Byrd from Arcadia Stockyard, but Eastern had no responsibility as to the receipt or delivery of the cattle. Eastern took direction from I.E. "Jim" Byrd regarding the timing and amount of receipts and payments. In effect, Eastern was the back office for I.E. "Jim" Byrd.
7. I. E. "Jim" Byrd was responsible for getting his orders for cattle from his buyers, purchasing the cattle to be shipped to these buyers, receiving and reconciling the invoices from the stockyards, invoicing the purchases to Eastern as the clearing agency payable to the markets, and invoicing the purchases including expenses (such as trucking, commission, and clearing agency fees) to I. E. "Jim" Byrd's customers. I. E. "Jim" Byrd's customers in turn owed Eastern for the cattle purchased. At no time during our involvement with I.E. "Jim" Byrd did we ever deal directly with Eastern.
8. The cattle purchased at Arcadia Stockyard and other Florida markets were shipped to I. E. "Jim" Byrd's customers directly and were never handled or received by Eastern.

Eastern's sole responsibility was to perform their job as the clearing agency receiving a fee for being the "clearing house" for clearing I. E. "Jim" Byrd's cattle purchases.

9. Eastern has defaulted on their clearing agency performance for I. E. "Jim" Byrd. Eastern did not ever have possession of the cattle purchased from Arcadia Stockyard. I. E. "Jim" Byrd handled all the details concerning the purchase and delivery of the cattle to his customers. Byrd's customers have received cattle for which payment has not been made to Arcadia Stockyard and other Florida markets.
10. Any funds available to settle this account should rightly be made in accordance with Byrd's instruction to Eastern, as Eastern should have done last November. As a clearing agency Eastern never took possession of or title to the livestock purchased by I.E. "Jim" Byrd as an Order Buyer for his customers across the country—customers which include Len Miller and Rush Creek Ranch, LLC.
11. With respect to the Len Miller and Rush Creek Ranch, LLC accounts and on the assumption that Eastern rendered performance as clearing agency (which it did not), Eastern's sole claim on funds held by the Trustee for unpaid livestock sales is for the commission fees due for clearing the livestock purchase transactions at Arcadia Stockyard and other Florida stockyards where I.E. "Jim" Byrd operated as an Order Buyer. Only where Eastern has rendered payment to the auction markets and sellers would Eastern have a claim for the livestock sale proceeds. In this case, Eastern would be acting as cattle buyer for their own account or as cattle buyer for other companies on a commission, and not simply as a clearing agency.

12. At this point, Arcadia Stockyard has been unpaid for livestock purchases of I.E. "Jim" Byrd for approximately 254 head and some \$75,000.00

Exhibit E

AFFIDAVIT OF TODD CLEMONS

1. My name is Todd Clemons, and I am over the age of 18. I have personal knowledge of the facts set forth herein.
2. I am President of Okeechobee Livestock Market and North Florida Livestock Market. My Grandfather and Father purchased Okeechobee Livestock Market In 1961. I have been in the livestock market business and the cattle business all my life. I am 56 years old. My Dad is 84 and my brother is 60. I have a son who is also in the business. I have a B.A. degree in Business Administration from Troy State University, graduated in 1976.
3. Our Market handles over \$50,000,000 worth of cattle in a year. I am responsible for the operation in every aspect. I make sure that the money is being collected in a timely manner and also take care of any problems that may occur.
4. The "Grain Inspection, Packers and Stockyards Administration" ("GIPSA" or "P&S") is the government agency which regulates our business. Under GIPAS regulations, any payment for cattle has to be deposited in to the Custodial Account for Shippers Proceeds ("Custodial Account"). All animals sold through our sale ring by consignors are paid for on the day of the sale. The sellers are paid out of the P&S regulated Custodial Account. Within minutes of the sale of the cattle, the consignor can pick up his check. The "Buyers" of the cattle are predominately "Order Buyers." They are buying cattle for customers who have called them with a specific order for certain types of cattle. Such as: "Buy me a load of 400# steers, Angus or Charolais, #1 quality;" or "Buy me a load of 500# heifers that are replacement quality;" or "Buy me a load of 600# yearlings to work on my Cutting Horses." These "Order Buyers" are individuals that make a living buying cattle for other people. A truck load of cattle today typically costs around \$50,000-\$60,000. "Order Buyers" generally do not have that kind of money

because they may buy two (2) or three (3) loads of cattle a day at each livestock market. There are eight (8) livestock markets in the State of Florida. There are companies around the country that are called Order Buying Companies. They buy either: (i) for their own account, sometimes through Order Buyers; (ii) for the accounts of others on a commission or fee basis; or (iii) act as "Clearing Agency" for the transactions of "Order Buyers." Under GIPSA regulations, a Clearing Agency acts as a clearing house —receiving and Issuing payment per Instructions from the Order Buyer and providing bond coverage required under GIPSA regulations for parties buying and selling livestock. A Clearing Agency facilitates a larger volume of business for the "Order Buyer" than would otherwise typically be possible.

5. The independent cattle "Order Buyer" solicits potential orders for cattle from farmers, ranchers, feedlots, and whoever may want cattle for any reason. These are the actual "Buyers" and are the customers of the "Order Buyer." The "Order Buyer" will then attend the livestock auctions at markets of their choice. "Order Buyers" will buy cattle, deliver the cattle to THEIR shipping facility to be sorted, invoiced, loaded and shipped. Sales in Florida are Monday through Wednesday. Buyers will buy at the sales of their choice, bring all the cattle to their facility. And mostly on Thursday, they will load the cattle on trucks to be delivered to their clients. Cattle from Florida go primarily to the feeding states out west, mostly Texas. Some cattle go to "pre-conditioners" in Florida so the cattle can be "straightened out" and weaned before being shipped out west. It is solely up to the "buyer of the cattle," i.e. the customer who placed the order with the "Order Buyer" to determine what is to be done with the cattle. The "Order Buyer" makes trucking arrangements, makes out invoices, loads the truck and delivers the cattle. The Order Buying Company, acting a "Clearing Agency," simply writes the check for the cattle that were purchased from the livestock markets. When the cattle are invoiced out from

the markets to the actual "Buyer" or "End Customer;" the invoice will not be from the livestock market, but from the "Order Buyer" directly or from the "Order Buying Company" acting at the direction of the "Order Buyer." This is because there are other charges that have to be added, including the feed charges, the vet expenses, the trucking, the "Order Buyer: commission, and the "Clearing Fee" charged by the "Order Buying Company."

6. Under GIPAS regulations, the Order Buying Company when acting as a Clearing Agency is responsible to render payment to the livestock markets for the cattle purchased. GIPSA regulations require that the party responsible for payment be listed on the market invoices as "Buyer" even though the Order Buyer Company is only acting as "Clearing Agency" and that the "Order Buyer" be listed as "Agent" even though the "Order Buyer" is the actual buyer on site for his customers and the "Order Buyer Company" is the agent clearing the transaction. GIPSA regulations also require that the check be in the mail within 24 hours of the purchases. The livestock markets fax invoices to the "Order Buyer" directly or the "Order Buying Company per instructions from the "Order Buyer" from the livestock markets as soon as the sale is over. A check should be in the mail within 24 hours of that time, postmarked. If this happens the way it should, the livestock markets should receive their checks by the end of the week, or certainly before the next round of sales of the following week. The "Buyer" or "End Customer" who placed the order for the cattle will pay for the cattle when Invoiced from the "Order Buyer" directly or from the "Order Buyer Company" at the direction of the Order Buyer.

7. As noted above, most times cattle are shipped at least by Thursday, if not sooner. The "Order Buying Company" receives payment for the cattle from the Buyers before the livestock markets are in turn paid by the Order Buying Company. Livestock markets have been keeping envelopes that checks came in to document when payment

was actually mailed, to ensure that cattle are being paid for in the time specified by GIPSA regulations. At no time do the cattle being bought by the independent "Order Buyers" ever physically go to the "Order Buying Company acting as a Clearing Agency. This only typically occurs when the Order Buying Company is buying for its own account. The Order Buying Company acts as clearing house and charges a fee which is added on to the Invoice paid by the End Customer, again at the direction of the "Order Buyer."

8. In the case of Eastern Livestock, they are, or were, the largest "Order Buying Company" in the United States. There are others we do business with at Okeechobee Livestock Market and North Florida Livestock Market. D & S Cattle Co. in Zolfo Springs, FL; Foy Reynolds Cattle Co., Bonifay, FL; and Thomas Cattle Co., Williston, FL are some of the others. These companies are Florida based and buy mainly Florida cattle. Eastern Livestock was clearing house for Order Buyers in most of the states east of the Mississippi. The business model is the same for all of these companies. They deal in volume and for a clearing fee clear cattle purchase transactions of the Order Buyers that buy cattle for "End Customers" on commission.

9. Eastern Livestock was the Clearing Agency for I.E. "Jim" Byrd, an "Order Buyer" who bought cattle from our Okeechobee and North Florida Markets. I.E. "Jim" Byrd acted on orders for specific cattle from his customers, the "End Customer." I.E. "Jim" Byrd bought cattle and was invoiced directly from Okeechobee and North Florida livestock markets. Byrd would then invoice his "End Customers" and direct Eastern Livestock on how, for what amount, and to whom the checks were to be issued. Our Okeechobee and North Florida markets did not have a relationship with the "End Customer."

10. When Eastern Livestock was charged cattle last year that were never paid for, Jim Byrd knew exactly who was the "End Customer," where the cattle had been shipped,

who was to pay the invoices he prepared (on an Eastern Livestock Invoice with Eastern acting as "Clearing Agency"). Eastern Livestock was supposed to pay us for the cattle and the "End Customer" was to pay Eastern. When Eastern failed to render payment last Fall for the livestock purchased by Jim Byrd, the cattle had already been shipped to the "End Customer." The "End Customer" took possession of the cattle and either paid Eastern, or held the funds because of Eastern's Insolvency and they did not know what to do.

11. In the case of Rush Creek Ranch, LLC the funds were interpled with the court in Wisconsin. In the case of Len Miller, the funds were paid into the Trustee. In both cases Eastern only has a claim to the "clearing fee" and the bulk of the funds are due our Okeechobee and North Florida livestock markets and the other Florida stockyards for unpaid cattle purchases. For the cattle purchases at our Okeechobee and North Florida markets, we paid the consignor or producer of the cattle the day the cattle were sold from our "Custodial Account," and we never received payment for the cattle from Eastern. We are "out" the money and funds are due our "Custodial Account" from Eastern or the End Customer. The "End Customer" has taken possession of our cattle and would owe Eastern if Eastern had rendered payment, but Eastern has not done so. The Rush Creek Ranch, LLC and Len Miller funds held by the Trustee are due our markets and the other Florida stockyards. Eastern only has a claim for its "clearing fee" on the assumption that it cleared the transaction (which it did not). It is that simple.

12. Eastern Livestock was simply a clearinghouse, who charged a clearing fee for processing the transaction and being responsible for payment under GIPSA regulation—payment Eastern did not make. Eastern would never have taken title in any way to the "purchased" livestock even if payment had been made. Since payment was not made, Eastern could not have taken title to livestock. The cattle were shipped to the proper

"purchased" livestock even if payment had been made. Since payment was not made, Eastern could not have taken title to livestock. The cattle were shipped to the proper buyers but the Florida markets have not been paid and title has not passed. Payment, therefore, is due, either from the End Customer or from Eastern or in the case of Len Miller and Rush Creek Ranch, LLC from the funds paid into the Trustee and interpled initially in Wisconsin. For our Okeechobee and North Florida Markets this amounts to approximately \$37,000 for 119 head.

Exhibit F

AFFIDAVIT OF I. E. "JIM" BYRD

STATE OF FLORIDA

COUNTY OF OKEECHOBEE

BEFORE ME, the undersigned authority, personally appeared, I. E. "JIM" BYRD, to me well known to be the same, who, being by me first duly sworn, deposes and says:

1. My name is I. E. BYRD. I am over the age of 18. I have personal knowledge of the facts set forth herein.

2. I have been in the cattle business all of my life. Since 1991 I have been the owner and operator of Oak Lake Cattle Company, Inc. ("Oak Lake"), a Florida corporation with principal offices located at 1055 U.S. Highway 98 North, Okeechobee, FL 34974. I am President and Secretary/Treasurer and my son, Daniel M. Byrd, currently serves as Vice President. Prior to this time I operated as a sole proprietor I.E. Byrd d/b/a Oak Lake Cattle Company.

3. Oak Lake is a market agency and dealer under the Packers And Stockyards Act of 1921, 7 U.S.C. §§ 181 et seq. My son and I buy and sell cattle through Oak Lake on a commission basis for clients in Florida and other states and for our own account. We operate almost exclusively in Florida, dealing with the Florida auction market stockyards.

4. On March 25, 1993 I submitted an Application For Registration (Under Packers and Stockyards Act, 1921) on Form P&SA-116 (5-88) to operate: (i) "Buying On Commission;" (ii) "Dealer - Buying Or Selling;" and (iii) "Clearee Of Eastern Livestock."

See Exhibit A attached hereto. Eastern Livestock Company, LLC ("Eastern") is and was a registered "clearing agency" under the Packers And Stockyards Act and governing regulations, specifically 9 C.F.R. §201.10(d).

5. Under my clearing arrangement with Eastern, payments for my livestock purchases and sales were "cleared" by Eastern. Typically, and in about 90% of the cases, Oak Lake would: (i) buy livestock at auction on commission for my clients, (ii) receive the Invoices from the Florida auction markets where the purchases originated, (iii) transmit these to Eastern for payment – together with detail identifying the transactions and the purchaser or purchasers from whom payment is to be received and the auction markets, trucking companies for hauling the livestock and others for feed and other incidentals, including buying commission for Oak Lake and the clearing commission for Eastern as "clearing agent," and (iv) transmit to my client buyers Eastern Invoices Oak Lake prepared for the amounts owed from the livestock purchased by my clients.

6. The Eastern Invoices which Oak Lake prepared for Eastern and submitted to my client buyers included Eastern's commission for the clearing of the transactions at \$.50 per 100 lbs. livestock weight purchased. As "clearing agent" Eastern acted as my back office on a clearing transaction commission. Eastern was not the buyer and unless Eastern was a buyer for its own account never took title to the livestock.

7. Eastern served as my "clearing agency" on this basis from 1993 until this past November when Eastern failed to make payments for livestock I had purchased on account for other buyers, including Eastern, and checks issued by Eastern for payment of livestock I

had purchased for my clients on commission were dishonored. I have represented Eastern and Eastern has represented me as clearing agent for many years, and Eastern's failure to render payment for cattle purchased by my clients is a plain violation of the Packers And Stockyards Act and governing regulations.

8. Since November 2010 this time, Oak Lake has not cleared livestock purchases through Eastern and has registered directly under the Packers And Stockyards Act and obtained its own bonding. Oak Lake has arranged for the buyers for whom I purchase livestock on commission to pay the Florida auction stockyards directly without the use of a clearing agency.

9. On January 21, 2011 Oak Lake submitted the Annual Report Of Dealer Or Market Agency Buying On Commission (P&SP Form 3001) listing Eastern as clearing my livestock purchases during the reporting period of October 1, 2009 to September 2010. See **Exhibit B.**

10. Between October 11, 2010 and November 3, 2010 my son and I through Oak Lake Cattle Co. engaged in purchasing livestock for Rush Creek Ranch, LLLP using Eastern as "clearing agent" from the following nine (9) Florida livestock auction markets:

Hilliard-McKetrick Investments, Inc. d/b/a Arcadia Stockyard
Cattlemen's Livestock Auction Market, Inc.
Columbia Livestock Market Of Lake City, Inc.
Hardee Livestock Market, Inc.
North Florida Livestock Market, Inc.
Ocala Livestock Market, Inc.
Okeechobee Livestock Market, Inc.
Sumter County Farmers Market, Inc.
Madison Livestock Market, Inc. d/b/a Townsend Livestock Market,

There were a total of 84 transactions involving 691 head of livestock. The normal payment arrangement described above was interrupted midstream by Eastern's insolvency with the result that a number of checks issued for payment for the cattle purchased from Florida markets were returned for insufficient funds. Eastern did complete some of the transactions, however. The net result is that the above listed Florida markets did not receive payment for a total of 474 head out of the 691 in amounts totaling \$119,432.79. The amount due on the Rush Creek purchases totals \$178,233.49.

11. On or about November 16, 2010, the purchaser, Rush Creek Ranch, LLLP, deposited in Interpleader the \$178,233.49 total amount due on the transactions with the Vernon County Circuit Court, in Wisconsin, Case No. 10-CV-317. The following is a break down of the amounts due the parties to this Interpleader.

<u>Party</u>	<u>Description</u>	<u>Amount</u>
Florida Markets	Livestock Sales	\$ 119,432.79
D & R TRUCKING	Trucking	\$ 139.04
RON SIZEMORE	Trucking	\$ 1,422.69
PACO ANUEZ	Trucking	\$ 26.59

12. Between October 25, 2010 and November 3, 2010 is my son and I also engaged in purchasing livestock for another client, Len Miller of Portales, New Mexico. A total of

362 head of livestock were purchased in 16 transactions. The following six (6) Florida livestock auction markets participated in the sale of livestock to Miller:

Hilliard-McKettrick Investments, Inc. d/b/a Arcadia Stockyard
 Hardee Livestock Market, Inc.
 Ocala Livestock Market, Inc.
 Okeechobee Livestock Market, Inc.
 Cattlemen's Livestock Auction Market, Inc.
 Sumter County Farmers Market, Inc.

13. Again, the normal process for payment due the sellers and agents for the livestock purchases was interrupted by the insolvency of Eastern with the result that the payments totaling \$130,701.75 for livestock sales was withheld by Miller from the above six (6) Florida livestock auction markets. On information and belief, this amount together with amounts due for hauling, yardage, purchase commissions, and clearing commission was deposited with the Trustee in January 2011. On information and belief, the total amount deposited with the Trustee is \$148,432.14.

14. The following is a summary of the amounts due the parties to the Miller purchases:

<u>Party</u>	<u>Description</u>	<u>Amount</u>

Less: Adjustment		\$ (636.32)
EASTERN LIVESTOCK	Clearing Commission	\$ 650.95
Total Due From Miller/Trustee		\$ 148,432.14

Detail supporting this series of transactions is attached hereto as Exhibit D.

15. The livestock purchased by Oak Lake for Rush Creek were shipped to Chiefland, Florida f/b/o Rush Creek Ranch, LLLP. On information and belief the livestock remain in Chiefland. The livestock purchased by Oak Lake for Len Miller were shipped and delivered to Len Miller, Portales, New Mexico and on information an belief are still there. The livestock in possession of both Rush Creek Ranch, LLLP and Len Miller were not paid for, nor were the fees and other amounts due the parties to those transactions.
